VensureHR Partners with International Bancard

Chandler, AZ, October 28, 2020 — VensureHR, the human resources consulting and support division of Vensure Employer Services, the nation’s fastest-growing professional employer organization, has formed an exclusive partnership with International Bancard in an effort to provide VensureHR clients innovative payment solutions.

“Small business owners from coast to coast want reassurance, now more than ever, that their customer-based transactions are safe and secure,” says Brad Isaacs, Chief Revenue Officer, VensureHR. “If VensureHR’s goal is to help businesses focus on strategic growth, then it only makes sense to partner with a company like International Bancard to ensure the growth is sustained and concerns around payment security are eliminated.”

With this partnership, International Bancard and VensureHR combine fully integrated, proprietary end-to-end, payments technology, award-winning software development, and national, multi-channel distribution channels to bring integrated payments acceptance to VensureHR’s marketplace.

“International Bancard is built on the notion that understanding the daily needs and challenges our clients are presented with can mean the difference between using a vendor and building lifelong relationships. We know a stable and secure payment acceptance solution is key to the continued success of small businesses around the world—and now our partnership with VensureHR makes this opportunity a reality for employers everywhere,” commented Josh Elsass, Chief Sales Officer, International Bancard.

About International Bancard

International Bancard, is a Detroit-based technology company providing full end-to-end payment acceptance solutions for [Integrated Software Vendors \(ISVs\)](#), financial institutions, associations, and businesses, across North America. We offer seamless, secure, innovative payment solutions, take pride in understanding the needs and challenges of our clients, and act with a sense of urgency in everything we do.
