

Custom Reports at the Touch of a Button

Need to see decision-making data? Just choose the kind of report you need from our interactive report center, filter by types of records you want to include, and Vfficient does the rest. With just a few clicks, you can generate customized, shareable reports on:

PAYROLL

Access payroll history for employees based on payroll number, date range, office location and other criteria. With Vfficient you can also easily calculate and report on garnishments, ACA eligibility, and more.

PTO AND TIME OFF

Vfficient efficiently tracks all sick time, vacation time, PTO, and leave. Without add-ons or additional costs, you can see hours accrued, hours used, and even outstanding requests for time off.

TIME SHEETS

With Vfficient, you can see who's clocked in at your company in real time. And when it's time to begin processing payroll, the system makes it simple to access, view, adjust and approve timesheets.

TAX INFORMATION

Capturing tax information and data from your employees from day one allows you to easily pull data for state or federal reporting requirements. You can also pull and track your corporate state and federal liability.

RETIREMENT AND BENEFITS

Benefits billing and employee eligibility reports are made simpler with Vfficient. See plan information, pull coverage dates, and view deductions. You can also track retirement contributions and retirement loans.

WORKERS' COMPENSATION

Vfficient's approach to data collection reduces the risk of mistakes regarding worker's compensation while ensuring OSHA reports and wage statements are correct and up to date.

Most importantly, with Vfficient you'll also have a team of HR experts just a phone call or email away ready to answer questions and provide support.
