### Vensure Employer Services Awarded Silver Stevie Award

**Chandler, AZ, May 20, 2022** — On Wednesday, April 27, 2022, Vensure Employer Services was awarded a Silver Stevie Award from the American Business Awards for Fastest Growing Company. The American Business Awards, known as Stevie Awards, recognizes achievements and positive contributions of organizations with operations in the U.S. With hundreds of categories, companies nominate themselves and are reviewed by a panel of judges consisting of top executives, entrepreneurs, and business experts. Vensure’s nomination for Fastest Growing Company received the Silver Stevie Award for that category.

“It is impressive that [Vensure was] voted [one of the] Best Places to Work during a rapid growth period of disparate entities,” commented one of the judges.

“We are extremely honored and proud to have won a Stevie Award for Fastest Growing Company,” Hyun Kim, Senior Vice President of Marketing and Communications for Vensure Employer Services commented. “This is a very prestigious award and to be recognized for our growth and expansion efforts in the last two years is incredible. Winning a Stevie Award solidifies Vensure’s place as one of the top PEOs in the country. Everyone in the company has contributed to our record growth and I’m very proud to share this award with everyone at Vensure.”

Vensure Employer Services experienced tremendous growth between 2020 and 2021. From more than doubling the amount of payroll processed to expanding geographically and adding internal employees, Vensure has made INC’s Fastest Growing Companies list, as well as named a Great Place to Work. With the addition of a Silver Stevie Award, Vensure is on the fast track to continue its growth and expansion at a record pace.
